Burlington and _____, in conjunction with all Vermont school leadership and athletic associations, requires participants and spectators to be respectful. All community members must work together to ensure good sportsmanship and a positive and safe playing environment. For everyone's safety, we ask that you remain masked throughout the event. Under no circumstances should any student-athletes, officials, coaches, or spectators be subjected to any form of hazing, harassment, bullying, disrespect, discrimination, or harm. These behaviors are not tolerated, and any report or observation of this behavior will result in an immediate stoppage of play, ejection, delay, and/or forfeiture of the contest. A friendly reminder that if you see something, say something to a site administrator, and thank you to all participants for helping to keep our school events positive and safe for all
